### GOOGLE ASSISTANT

- **ENJOY ENTERTAINMENT:** Play music, podcasts, and radio. Or, stream videos to your TV with Chromecast with a simple voice command.
- **CONTROL YOUR HOME:** Simply ask your Assistant on your speakers to set the perfect temperature with Nest or turn down the lights with Philips Hue.
- **PLAN YOUR DAY:** With your permission, get help with things like your daily brief, your flight information, or your commute to work. Check on the latest weather and traffic in your area.
- **MANAGE TASKS:** With your permission, your Assistant can add items to your shopping list and stock up on essentials. Set alarms and timers hands free.
- **GET ANSWERS:** Get answers on sports, weather, finance, calculations, translations and more.

### HANDS-FREE VOICE CONTROL

Ask your Google Assistant to control your smart home devices, such as your speakers, thermostat, light bulbs, doors, locks and more.

### ASTOUNDING, ROOM-FILLING ACOUSTICS

The One with Google Assistant built-in delivers a premium audio experience that has been professionally tuned by Klipsch acousticians. It is a 2.1 stereo system bi-amplified for audiophile resolution and features two 2 1/4" full range drivers and a 4.5" woofer to deliver a crystal-clear acoustic performance with great bass. You'll be surprised at the sound quality that comes from such a small package.

### MID-CENTURY MODERN DESIGN

Incorporating luxury materials such as real wood veneer and tactile metal buttons and knobs, The One with Google Assistant blends the acoustics and classic design legacy of Paul W. Klipsch with the latest technologies available today.

### CHROMECAST BUILT IN

Stream your favorite entertainment and apps from your phone, tablet or laptop right to your speakers.

### MULTI-ROOM READY

Listen to your content in several rooms with multiple Google Assistant compatible speakers.

### SIMPLE SETUP WITH GOOGLE HOME APP

Easily setup and manage The One with Google Assistant tabletop stereo system with the free Google Home App on iOS & Android.

### BLUETOOTH® WIRELESS TECHNOLOGY

Wirelessly stream high-quality sound from your device.

### 96KHZ / 24-BIT DECODING TO SUPPORT HIGH RES AUDIO TRACKS

The One with Google Assistant features 96kHz / 24-bit decoding for flawless reproduction of high-resolution audio tracks on services that support high resolution audio.
